Completed form must be uploaded into Pre-Power Inspection step in MyGov.
Email must be sent to BuildingCode@ocps.net advising that the form was uploaded into MyGov.

Building: _____

Date: _____

Building Permit #: _____

Address: _____

Electrical Permit #: _____

The undersigned hereby requests permission to connect the electric current or to have the electric current remain connected to the above named building prior to the final inspections and the issuance of the Certificate of Occupancy.

The reason for this request is as follows:

The undersigned also certifies that the wiring, apparatus and fixtures of the entire building are in such condition that electrical current may safely be connected therewith and there exists a necessity for this request.

The undersigned also understands and agrees that approval of this request does not constitute a waiver of procuring a Certificate of Occupancy prior to any type of occupancy. Do not stock or furnish this building without the consent of the Building Official.

The undersigned also understands and agrees that by granting this request, the Orange County Public Schools, Building Code Compliance Office absolves itself of any liability in the event of an electrically related event.

The undersigned also understands and agrees that the Electrical Room, main disconnect and all power panels will be kept locked, except when working on same, and under the control of the electrical contractor only.
