

SCHOOL CALENDAR

FILE: ICA

TITLE: School Calendar

POLICY:

The superintendent or designee shall develop a school calendar for the ensuing school year(s) according to the provisions of the contractual agreement between the Orange County School Board and the authorized employee bargaining agents.

- (1) School holidays, vacation periods, school days for students and the working days for all school board employees shall be incorporated into the school calendar or shall be established by action of the school board. These days may be changed by the school board under emergency conditions.
- (2) Suggestions for the calendar from parents, citizens, school advisory councils or school board employees shall be considered by the superintendent or designee.
- (3) The superintendent shall provide each principal with a copy of the school calendar of the next school year before the last day of post planning for teachers.
- (4) All schools shall adhere to the school calendar unless special permission is granted by the school board for a deviation.
