Color Documents – Ael_FollowMe_Color on aelpapercut
*color documents can only be released on color devices.

Pricing
This all-inclusive model includes device usage, toners, staples, service and 8.5 X 11 paper.

Device	Black & White	Color
Desktop devices	$.06	$.12
MFD Copier	$.05	$.12

Charging of BW or color is based on the printer selected (Ael_FollowMe_BW or _Color).
Recommended to have Ael_FollowMe_BW as default printer.

There is no charge for scanning. All machines can scan in black and white or color.

There is no charge to send a fax. Fees only occur when an incoming fax is received and printed. The fee is charged to the department that owns the fax number. It is recommended to have incoming fax set to a shared email or shared folder and not print directly.
